About Us

Established in 2010, we are a Pakistan-based manufacturer and global exporter of Himalayan Pink Salt, sourced exclusively from the Himalayan region of Pakistan. With direct access to the mines and a fully integrated supply chain, we deliver naturally pure salt with consistent quality and traceability.

Our production operates under strict quality control and inspection systems, aligned with EU food safety and import requirements, ensuring purity, mineral integrity, and reliability in every shipment.

To better serve customers, we operate strategically located warehousing facilities that enable faster deliveries, flexible inventory management, and reduced lead times. Additional storage capacity supports our global distribution network.

We offer a comprehensive range of Himalayan Pink Salt products for food, wellness, and industrial applications, available in bulk and retail formats. Custom branding, private label, and OEM solutions are available to support premium market positioning.

Trusted by importers and brands worldwide, we are committed to quality, compliance, and long-term partnerships.
